

What Goats and People Have in Common

1. Goats DON'T like to be forced to do anything, go where you want them, or be cornered.
2. Goats are very curious about their surroundings even if they act like they aren't.
3. Goats like a good view of where they're going and where they could go.
4. Goats are stubborn.
5. Goats are mouthy.
6. Goats are excellent climbers even when obstacles are present, that's when they get creative.
7. Goats are independent but social, consistent isolation isn't healthy for goats for any long period of time.
8. Goats are enjoyable to be around when they don't feel threatened or stressed.
9. Goats can be persuaded to do almost anything using a simple technique...FOOD
10. Goats can solve problems and will communicate when they need help solving problems.
